PLEASE READ PRIOR TO COMPLETING AN APPLICATION

GENERAL INFORMATION. Davis County Human Resources has a copy of the job announcement for each career service opening which outlines position duties, minimum qualifications, and closing date. If you would like a copy of this announcement, please ask. If a position is designated Career Service Exempt or Merit Exempt, the employee will be an "at-will" employee and can be terminated at any time with or without cause. All successful applicants for positions with Davis County Government must successfully pass a drug screen prior to employment. Davis County provides reasonable accommodations to the known disabilities of applicants in compliance with the Americans with Disabilities Act.

APPLICATION FORM. In order to obtain complete information which can be used in making hiring decisions, we require you to complete an Official Davis County Employment Application. If you submit a resume without an application you will not be considered for employment. Applications must be submitted (in person or postmarked) no later than 5:00 P.M. on the closing date on the job announcement. Your signed completed application will be used to determine your qualifications for the available position, so it is important the application is complete. You are responsible for stating your qualifications fully and in an understandable manner. If more space is needed to give full answers or explanations, attach additional sheets using the same format. You are required to submit a **copy** of any license, certification, or registration you claim on your application. You will not be given credit without appropriate documentation. When referring to dates, give month, day, and year. Applications for clerical positions **must** include a keyboarding skill test administered by Davis County Human Resources at the time of submission and/or dated within the last year. Mailed applications **must be** addressed to P.O. Box 618, Farmington, UT 84025.

EDUCATION VERIFICATION. Photocopies of **official** transcripts are required at the time of application for any position that requires a college degree or college education. Certificates of completion are required at the time of application for any position that requires post high school technical or trade school training. Transcripts may also be required during the final interview process. You will not be given credit for any education or training for which you do not submit the required documentation.

VETERAN PREFERENCE. If you claim veteran preference, you must submit a copy of Form DD214, certifying honorable veteran status. If you claim disabled veteran preference, you must also submit a letter of verification from the Veteran's Administration dated within the last 90 days.

EQUAL EMPLOYMENT OPPORTUNITY. Davis County is an equal employment opportunity employer. Everyone who meets the minimum position qualifications will have the same opportunity for employment. Your application will not be rejected because of your race, color, national origin, religion, sex, age, or disability.

HOW JOB VACANCIES ARE FILLED. If a position is designated "competitive," an examination, administered by Human Resources, is required. Examinations may include one or a combination of the following methods: a written examination, a rating based on training and experience, an oral examination, or a performance examination. Upon request of a County Department, a certified list of names is furnished from the register to fill vacancies. Once a register is developed for a position, it may remain in effect for one year, and may be used to fill positions without further announcement of vacancy. If a position is designated as "noncompetitive" an examination is not required. All applicants interested in noncompetitive positions will be certified to the hiring department for consideration in accordance with department selection procedures.

EXPERIENCE EVALUATION METHODS. Most registers are developed by establishing a rank order of applicants based on the amount and type of experience. The number of applications received for a vacancy influences the strictness of the evaluation criteria. Evaluation criteria are developed by Human Resources in consultation with a knowledgeable person from the hiring department. All applications are screened against the minimum qualifications with those meeting minimum qualifications being rated against the evaluation criteria. This rating establishes the applicant's rank on the register.

NOTIFICATION TO APPLICANTS. If you are applying for a **merit** position, you should receive written notification regarding the status of your application within three weeks of the advertised closing date of the position. Since a considerable amount of time is required to screen and evaluate the applications, please do not contact the Human Resources Office to inquire about your status as an applicant unless you do not receive notice within three weeks. If you are applying for a **non-merit** position (part-time, temporary or seasonal), you will receive no formal communication regarding the status of your application. Applicants selected as finalists for non-merit positions will be contacted by the hiring department. If you are selected for employment, you will be required to prove United States citizenship or your eligibility to work in the United States, as evidenced by appropriate documentation.
